

Even then we didn't like a lot of ups and downs.

Recommend an investment advisor
who prefers steady long-term growth. }

Extreme highs can bring extreme lows. That's why, at Boston Private Value Investors, our strategy is based on intelligent growth.

Whether we're managing a \$1 million portfolio or a \$50 million endowment, we prefer a measured approach.

At Boston Private Value Investors,
we believe in intelligent growth.

Whether we're managing a \$1 million
portfolio or a \$50 million endowment,
we delve well beyond the numbers
typically considered when evaluating an
investment, identifying opportunities
others may have missed.
